Siskiyou County Resource Advisory Committee to Reconvene June 23 at the Klamath Forest Supervisor's Office

YREKA, CA,—The Siskiyou County Resource Advisory Committee (RAC) will reconvene on Monday, June 23, 2014, at the Klamath National Forest Supervisor's Office, 1711 South Main Street, Yreka. The meeting will begin at 6:00 p.m. The public is invited to attend and provide comment.

The Siskiyou County RAC will be determining how to establish project funding priorities for the coming year. New project proposals are not being accepted at this time.

The RAC is federally sanctioned by the Secretary of the Department of Agriculture and was formed as a result of the Secure Rural Schools and Community Self-Determination Act of 2000. The RAC is a local advisory committee that recommends projects to federal land managers which will benefit resources on public lands. The fifteen member group represents a cross section of county communities, industries, schools, environmentalists, and local government.
